Dear Valued Customers and Partners,

Today, as we mark 30 remarkable years of Coffea®@ Coffee&Tea , I want to pause and express our deepest gratitude — to **You**.

For three decades, your trust, collaboration, and partnership have been the true foundation of every milestone we have achieved. Whether you have been with us since the early days or joined more recently, your belief in our solutions, your candid feedback, your loyalty through changing markets, and your willingness to grow together have shaped who we are today.

We are proud — and deeply humbled — that so many of you have chosen to walk this journey with us for 5, 10, 20 years and more. Your success has been our success, and we consider it a genuine privilege to have contributed, even in a small way, to your achievements.

The past 30 years have brought countless changes in technology, markets, and expectations — yet one constant has remained unchanged: the relationships we have built together. Those human connections, built on mutual respect, reliability, and shared ambition, are what we value most.

Thank you — sincerely and wholeheartedly — for choosing us, for challenging us to be better, and for allowing us to be part of your story.

We look forward to the next chapter with optimism and energy, and we are committed to continuing to earn your confidence every single day.

With our warmest appreciation and best wishes,

Aleksandar Radosav
